

Australian Folding Container 20kW Manufacturer

Overview

AVID GROUP provide a whole range of SPS (Stand Alone Power Systems) and Containerised Off-Grid Solar Energy Solutions. Containerised solutions for Solar, EV Charging and portable data centres. AVID's solar design, installation, commissioning and monitoring services are operated by our teams of skilled engineers and qualified electricians. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. At AU Container Homes, we design and build premium modular living spaces crafted from high-grade shipping containers.
