We tackle the XTM drawers from BCF and have a go at installing them. After a few ideas on how to go about it I finally settled on one that gives me the best of both worlds! and here is how I...

Bump boxes are kinda bulky, but when there isn't room for a pull starter or Roto starter, it is the only option. I built a custom top for mine as my truggy didn't fit my bump box without significant ...

Hey I am looking at getting drawers for my 07 gu patrol. I have been thinking about getting the xtm ones does anyone else have them. How do they fit and are they any good?

Whether it be the XTM's or the Titan's, some people have said that they can hear the drawers rattling about from inside the cabin of their car. Has anyone here experienced this?

Open the box lid and you'll see the wiring. Battery terminals to box terminals, battery terminals to Anderson plugs via fuses, battery terminals to the circuit breaker then usb outlet, then ...

Bought all the parts for a 1/8th XTM Rail and started putting it together the other day. I thought I would post a couple pictures of it and provide a link to the rest for anyone interested in the ...

The topic of XTM cargo drawers has been brooched before in this forum however I thought I would share my experience with these drawers to allow others to make an informed ...

XTM drawers offer an exceptional solution, providing ample space and organization for your gear. This comprehensive guide will empower you with the knowledge and step-by- step ...

welcome to taobao shopping tailing xtm electric scooter pedal modal mode accessories, original factory accessories.

Can Tailing XTM center box be customized to store things

Built myself a Batblock style box today. Started with an XTM battery box from Supercheap on sale to club members for \$69. Added a Kings 110ah deep cycle battery. I used an old Projecta ...
