-----

The ELCB breakers from GEYA are well-suited for AC 50/60Hz, have rated voltages of single pole two wires, two poles of 230V, three poles of 400V, and rated currents of up to 63A.

Buy Earth Leakage Circuit Breaker in Greece from known Earth Leakage Circuit Breaker Manufacturers in Greece, Suppliers and Exporters - Auto Die Cast

The earth leakage circuit breaker (ELCB) is used to protect persons against electric shock hazards and to prevent a fire. This also have the same function as MCCB. This type of breaker is ELCB rated 225 ...

This section provides an overview for earth-leakage circuit breakers as well as their applications and principles. Also, please take a look at the list of 22 earth-leakage circuit breaker manufacturers and ...

iALLWAY Electrical presents cutting-edge Earth Leakage Circuit Breakers (ELCBs), available in 3 poles or 4 poles, designed for optimal electrical safety. Our ELCBs, ranging from 16A to 800A, provide ...

It is a 1P+N circuit breaker and rated current is 20A. The earth leakage protection class is AC type with a sensitivity of 30mA and a voltage independent technology. This product protects against short circuit, ...

Wide assortment of products that is highly suitable for protection against overload, short-circuit conditions and electric shocks in low voltage circuits. These are basic products for the protection of ...

Electrical, Electronics & Optical / Electrical equipment. Nuclear equipment / Circuit breakers / Circuit breakers, earth leakage (ELCB) Refine my search: Return Search results for : Greece B2B ...

Find your earth-leakage circuit breaker easily amongst the 22 products from the leading brands (CIRCUTOR, Mitsubishi Electric, Carling Technologies, ...) on DirectIndustry, the industry specialist ...

An earth-leakage circuit breaker (ELCB) is a safety device used in electrical installations to prevent shock. It

# Earth leakage breaker factory in Greece

consists of either a current sensing mechanism, or a voltage sensing mechanism.
