---

I now wish to deliver the following report to the Eighteenth National Congress of the Communist Party of China on behalf of the Seventeenth Party Central Committee.

GAO has reported for over a decade on the longstanding challenges DOD faces in acquiring and delivering SATCOM systems, including cost and schedule overruns.

Defense Information Systems Agency

In order to drive urgent action on President Trump's imperatives to put America First and achieve Peace Through Strength, the NDS process will commence immediately, using the 2025 Interim...

Plan, program, and budget for acquisition of commercial SATCOM services, as needed to augment DoD SATCOM enterprise resources to satisfy Component-specific user requirements. ...

First and foremost, we want the continued survival and safety of the United States as an independent, sovereign republic whose government secures the God-given natural rights of its citizens and...

The Army has improved CYS staffing to 82 percent, through multiple incentives, to include increased pay for childcare providers and a comprehensive CYS Staff Strategic Communication Plan.

We remain committed to working across all domains with allies and partners, combatant commands, the joint force, the U.S. inter-agency, nonfederal entities, and the United States Congress to guarantee ...
