Backed by advanced technologies, LONGi solar panels feature excellent power ratings and top conversion efficiencies, and can be used across all market segments.

This solar panel system includes a 12V panel controller with adjustable PWM control, 2 clips, 4 suction cups, and 1 car charger. All components are included for easy installation and seamless use of this ...

The release of the "Longi Life Cycle Standard" promotes the high-quality development of the photovoltaic industry. At the same time, the use of Longi standard orders has improved delivery ...

Embrace the power of solar energy with LONGi, the global leader in monocrystalline solar panels. Discover their range of high-performing products.

TGD 30W 54 LEDs IP65 Waterproof Smart Solar Flood Light with Solar Panel Remote Control Lighting Lantern

LIMEI-ZEN Epoxy Solar Panel AFC-10018 80W Folding Portable Polycrystalline Solar Panel with Controller & Aluminum Frame

Longi solar panels are used in a variety of applications, including residential, commercial, and industrial solar systems, as well as large-scale solar energy projects such as solar parks.

PV Modules Backed by advanced technologies, our modules feature excellent power ratings and top conversion efficiencies, and can be used across all market segments. Our field-proven bifacial ...
