-----

The Battery has been the site, over the centuries, for gun emplacements (batteries), such as Fort Waldegrave, for the defence of St. John's Harbour, including during both World Wars.

Sometimes described as an outpost within the city of St. John's. The area is noted for its steep slopes, colourful houses, and its importance as a battery for the defence of St. John's Harbour ...

The community is built at the base of Signal Hill, the higher elevations of which are a part of the Signal Hill National Historic Site, and a very prominent landmark for St. John's.

Owing to its strategic location, for many hundreds of years it has been home to batteries of cannon and other artillery weapons from which it derives its name. The Battery is one of two areas...

Established in the 1950s and based in Liberty, St John's Woodwork is a cabinet building specialist that offers cabinet installation, millwork, custom shelving installation and other services.

What was once considered a challenging location to live in, The Battery is now sought after, and many people want to live in the area. This change in perception has introduced a trend of soaring property ...
