OverviewHistorySpecial OperationsLegal basis and organizationEquipment and VehiclesCity partnershipBack in the mid-19th century, Berlin suffered a series of devastating fires. The city grew rapidly and buildings became more and more crowded. Resources could no longer keep up with the size of the buildings. Therefore, The King of Prussia decided in 1851 to command Ludwig Scabell to set up a professional fire brigade and ensure its training and equipment . Scabell created the Berlin Fire Defence with the support of t...
